

GIRISHGOUDA C SHESHANAGOUDRA

Computer Science Engineering Student — Software Development — Problem Solving

☎ +91 6364141206 ✉ girishgouda.work@gmail.com [in LinkedIn](#) [GitHub](#)

Professional Summary

Computer Science Engineering student with a foundation in programming, software development, databases, and core computer science concepts. Experienced in academic projects, internships, and team-based development, with strong problem-solving skills and a willingness to learn and adapt to new technologies.

Technical Skills

Programming: Python, JavaScript, C

Web Technologies: HTML, CSS, React.js, Node.js

Databases: SQL, MySQL

Core CS: Data Structures & Algorithms, OOP, DBMS, Operating Systems, Computer Networks

Tools: Git, GitHub

Projects

NeuroAdapt — AI-Powered Educational Accessibility Platform

- Built an AI-powered platform focused on personalized and accessible learning support.
- Worked on implementation, testing, debugging, and team-based development.

AI-Powered Nutrition Agent — IBM watsonx.ai, Granite LLM, LangGraph

- Built an AI-powered nutrition assistant that provides personalized recommendations from user inputs.
- Worked on implementation, testing, debugging, and solution presentation.

Internships

Full Stack Web Development Intern [🔗](#)

June 2026 – July 2026

WebStack Academy (Emertxe)

- Developed a full-stack food ordering application using web technologies in a collaborative environment.
- Participated in implementation, testing, debugging, project reviews, and demonstrations.

AI & Cloud Intern [🔗](#)

July 2025 – August 2025

Edunet Foundation (IBM SkillsBuild — AICTE Collaboration)

- Worked on AI and cloud-based projects with mentors and team members.
- Participated in implementation, discussions, reviews, and presentations.

Hackathons & Achievements

Finalist — DevHack 6.0, IIT Dharwad [🔗](#)

2025

- Built and presented a project during a 36-hour national hackathon.
- Collaborated with a multidisciplinary team and presented the solution to the jury.

Education

B.Tech in Computer Science & Engineering

2023 – 2027

Dayananda Sagar University, Bengaluru

CGPA: 8.12

University: Dayananda Sagar University

Course Type: Full-time

Pre-University Course (PUC)

2023

Government PU College, Gadag

91.17%

Course Type: Full-time

Secondary School (10th Grade)

2021

Loyola High School, Gadag

89.44%

Course Type: Full-time

Additional Information

Languages: English, Kannada, Hindi

Certifications: TCS iON Communication Skills; IBM SkillsBuild AI & Cloud Internship; Infosys Springboard Java; Introduction to Cyber Security; NASA Space Apps – Galactic Problem Solver

Interests: Software Development, Problem Solving, Networking, Learning New Technologies
